

### **Preferred Vendor List**

For your convenience, we have assembled a list of the very best local caterers, wedding planners, musicians, florists, and more! This list is updated regularly, and these vendors have all been approved to work at the William Paca House & Garden.

When choosing a caterer that is not on our preferred vendor list, please know there will be a surcharge of \$1,000. Our caterer list has been carefully chosen due to their knowledge of our facilities and their service to prior clients. All caterers listed are full-service and will handle set-up, clean-up, and rental items on your behalf.
